

Welcome to Aso Uchinomaki

# OKURA TEI おーくら亭

It is a small pub where you can enjoy landscapes of the outer rim of the volcanic crater over lunch during the daytime; while at night, you can have ten or more kinds of high quality sake and premium Shochu distilled spirits of famous brandnames of Japan. In the inside, it is filled with the warmth of wood. You can enjoy dishes of homebred bonito and kombu kelp stocks, fresh sashimi as well as brown beef dishes. Opened in 2012.

昼は外輪山を眺めながらのランチ、夜は全国各地の銘酒を常時 10 種類以上とプレミアム焼酎が楽しめる小さな居酒屋。

木の温もり溢れる店内では国産鰹と昆布の一番だしを使った料理や新鮮なお刺身、あか牛料理も味わえる。2012 年オープン。
